

## Festive Fundraising Ideas

Below are a few ideas for making your fundraising seasonal:

- Hold a festive jumper day at work, in exchange for donations. Go one step further and offer a prize to the best jumper.
- Offer to wrap presents for friends and family, in exchange for donations.
- If you're crafty, make and sell some festive items such as cards, wreaths or decorations. There will be plenty of Christmas Fairs that might be willing to support you.
- Organise a festive raffle and ask local businesses if they would donate prizes.
- Hold a festive quiz, bingo or games night. Perhaps your local pub or community centre would like to get involved. You can even do it virtually.
- Bake some delicious festive treats and whip up a batch of hot chocolate to sell.
- Arrange a gingerbread contest, whether that's building and decorating an entire house or just the little people.
- Complete a local park run dressed as Santa, an elf or a reindeer for donations.
