

# Spring fundraising ideas

- ✿ Invite your friends and family to form two **rounders** teams and head over to the local park for a spring game!
- ✿ With **Eurovision** approaching in May, why not invite your work colleagues to join you in a **sweepstake**? Use an online sweepstake generator or print and cut out the countries taking part. Simply find a prize and charge entry at a price of your choice for participants
- ✿ Ask your school to consider having an **Easter bonnet day** or **own clothes day** with an optional donation for The Lullaby Trust
- ✿ Have a **spring clean and set up a clothes / book swap** at your home! Invite your family and friends to bring clothes and books they no longer wear and read and to donate to receive something new
- ✿ If you're a keen gardener, why not consider setting up a **small stall to sell your spring produce**, seeds, and plants to your neighbours. If you like crafting, you could even combine the two to celebrate Earth Day and being sustainable
- ✿ Create your own **5k route** where you live and get a group together to take it on with you! For an added fundraising element, consider a costume
- ✿ **Host your own film festival** and ask for donations to join. You can also sell homemade snacks and drinks with proceeds going to The Lullaby Trust

Get in touch to let us know you're fundraising so that we can support you.
