

Every week in the UK 4
babies die of sudden infant
death syndrome.

Join us in our fight to help
prevent these deaths.

The Lullaby Trust raises awareness of sudden infant death syndrome (SIDS), provides expert advice on **safer sleep for babies** and offers **emotional support for bereaved families**.

We are entirely reliant on donations to ensure that we can continue to help families keep their babies safe and support those that are affected by the death of a baby or young child.
